Re: Petition of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC for Approval of CPRE Queue Number Proposal, Limited Waiver of Generator Interconnection Procedures, and Request for Expedited Review
Docket No. 2018-202-E

Dear Ms. Boyd:

On December 12, 2018, the Public Service Commission of South Carolina ("Commission") issued Order No. 2018-803(A) in Docket No. 2018-202-E. The Order required Duke Energy Progress, LLC and Duke Energy Carolinas, LLC (collectively referred to as "Duke") to file an interconnection report with the Commission. Additionally, the Commission requested the South Carolina Office of Regulatory Staff ("ORS") follow up with an investigation and report on the status of the queue within 30 days of the date of the Duke's report.

On January 11, 2019, Duke filed its interconnection Report with the Commission, and on February 8, 2019, ORS informed the Commission that ORS would file its report on February 15, 2019. Please see enclosed ORS's report.

Sincerely,

Andrew M. Bateman

Encl.
